

REMARKS

The title is amended to better describe the claimed invention.

The Specification has been amended to better describe the claimed invention and in accordance with 37 CFR §1.78 to make reference to the International Application from which this application originates and to incorporate by reference the Japanese priority application

A marked-up copy and a clean copy of the substitute specification are provided. No new matter has been added.

Furthermore, above claims have been amended to more clearly describe the subject matter that Applicants regard as their invention. None of the present amendments are made for the purposes of patentability. No new matter is added by these amendments.

The claim fee was calculated based on the amended claims above. Please examine the application in view of the amendment set forth above.

Dated: November 30, 2004

Respectfully submitted,
